Filed : September 22, 2003

Examiner: Nicholas LA

Title: Wireless Digital/Analog Data Telemetry System Adapted For Use With Web Based Location Information Distribution Method and Method for Developing and Disseminating Information For Use Therewith

May 03, 2006

RESPONSE TO WRITTEN RESTRICTION REQUIREMENT

Hon. Commissioner of Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement mailed March 03, 2006 in the referenced application, applicant elects Group II, directed to the subject matter of claims 17-39 drawn to location monitoring of a mobile terminal as defined by the examiner.

REMARKS

Please note that applicant reserves the right to file a divisional application directed to the non-elected embodiments of the instant invention at any time during the pendency of the present application.

10/666,743

In re Ron Lauber, et al.

It is submitted that the present application is now in condition for examination on its merits, and action to that fact is earnestly solicited. In the event the Examiners discover matters which might be resolved by further discussion, they are invited to contact the undersigned at the local telephone number listed below.

Respectfully submitted,
Berenato, White & Stavish
